## July 9: Cultivation Demonstrations at Cedar Mountain Farm with Stephen Leslie

Hartland, VT

This is a workshop on how to create cropping and cultivation systems on a horse-powered farm with demonstrations, consultation, and the opportunity for hands-on practice. We'll demonstrate the new 4 McCormick-Deering cultivator—including marking rows, planting, hilling, and cultivating. We will also demonstrate single horse cultivation with a walk-behind cultivator and discuss various strategies for organic weed control.

Cedar Mountain Farm  
25A Linden Rd.  
Hartland, VT 05048

\$35 for the full demo-day and  
\$35 extra for hands-on practice with a teamster.
